WORK EXPERIENCE

Manager, Web Services & Development | Feb 2023 - Present

IGT | Austin, TX

Lead web services operations, enterprise digital initiatives, and cross-functional delivery across IGT's web ecosystem.

Web Operations & Technical Delivery:

- Manage web content and digital asset workflows through Bynder DAM, establishing reliable asset taxonomy, permission structures, and governance practices.
- Personally completed 700+ web requests and counting at IGT, sustaining a high volume of hands-on delivery alongside increasing leadership responsibilities.

Strategic Program & Project Leadership:

- Lead the end-to-end IGT.com rebuild program in partnership with internal stakeholders and external vendor BlueModus, coordinating UX design, API development, content strategy, and web data architecture.
- Led the execution of IGT's enterprise-wide web rebrand, coordinating design, content, development, and quality assurance across web properties to deliver a consistent brand experience.

Operational Excellence & Cost Management:

- Delivered more than $150K in Web Services cost reductions by eliminating redundant tooling, reducing vendor spend, and addressing operational inefficiencies.
- Established structured marketing intake workflows that enable stakeholders to submit and track requests while providing the web team with a prioritized, visible delivery pipeline.

Team Leadership & Executive Engagement:

- Lead and support the Web Services team, coordinating priorities, removing blockers, maintaining delivery quality, and balancing operational demands with strategic initiatives.
- Connect with the CIO, SVPs, Senior Directors, and the broader senior leadership team to communicate program status, risks, costs, priorities, and outcomes.

Platforms & Technologies:

Xperience by Kentico CMS, Bynder DAM, ServiceNow, Jira, Bootstrap, HTML, SCSS, JavaScript, Adobe Creative Cloud, AWS, and Claude. Working familiarity with adjacent enterprise systems including Azure DevOps, Azure Blob Storage, SQL Server, SAP, Matrix, and Airtable.

AWARDS & CERTIFICATIONS

JWU - 3.6 GPA & Deans List Status & SHARP (Accelerated Degree Program)
JWU - Design Dept Student Body Representative | Class of 2020
